## Welcome to Reading Lab Online US Edition

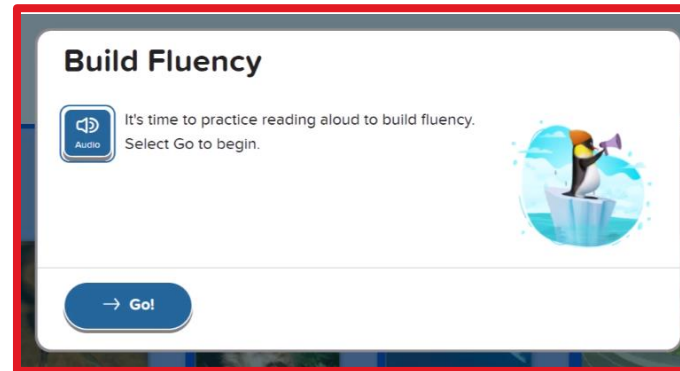

*SRA Reading Laboratory*® is an adaptive, supplemental solution designed to modernize reading practice. The program places students in the driver's seat, empowering them to choose from a dynamic library of fiction and non-fiction texts paired with practice activities in comprehension, vocabulary, and grammar. Personalized hints, scaffolding, and bite-sized lessons ensure that each student is reading at the appropriate level and advancing at his or her own pace.

A duck was happily playing a guitar. He really liked music.

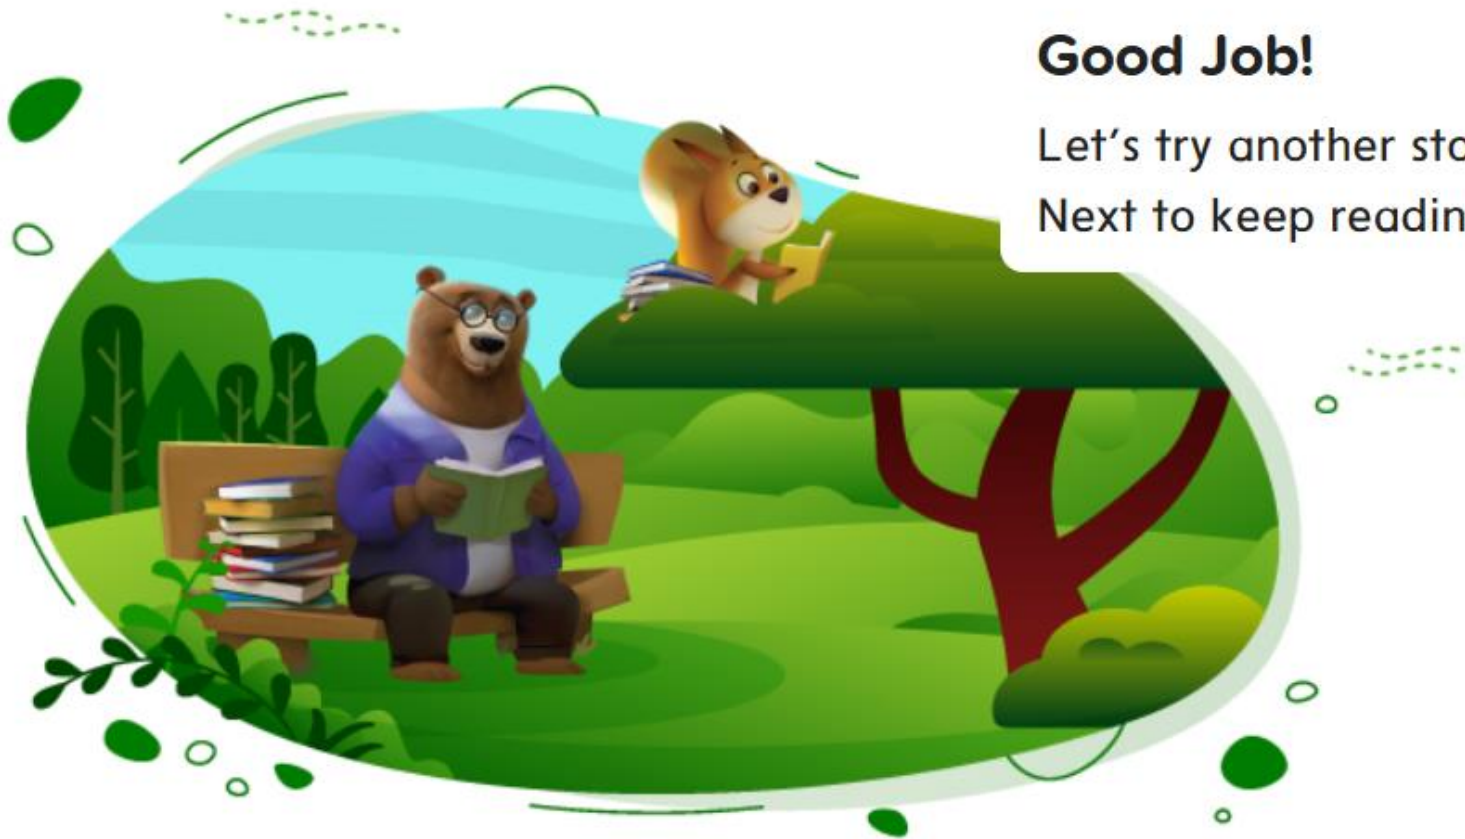

A man heard the music. The man was very surprised when he saw the duck playing. "Duck!" he called. "What do you think you're doing?"

"I'm playing a guitar," smiled the duck as he played a pretty French song.
